Eyes On The Sparrows

Synopsis

EYES ON THE SPARROW There is a saying: Hear No Evil. See No Evil. Speak No Evil. Select staff working at A Perfekt Place, a fictional nursing home in the Midwest, discreetly put the motto into practice. They cover their ears to the anguished screams and calls of residents crying out in pain during the night. They blindly choose to look the other way at residents' unexplained injuries and convenient accidents. They speak among themselves, and whisper in hushed, secretive voices about residents' untimely deaths | until NOW! This fictional, explosive and powerful suspense novel, *Eyes on the Sparrows*, dares to expose those hidden, dark secrets of mental, emotional, physical and financial elder abuse. To choose to read this book, you give your voice and help support to vulnerable seniors everywhere, who cannot!
