## Customer Reviews

As I picked up â ^No Mercyâ <sup>TM</sup>, a true story of child abuse by Claire Woods, I was curious yet hesitant. No matter how much our society progresses with time, heinous crimes like these put a stain on humanity and always take us a few step backward. I couldnâ <sup>TM</sup>t help but wonder, irrespective of caste or creed, of the color of your skin, of the languages you speak or of the places you live in, the horror of child abuse is real in almost every corner of the world today. And reading Claireâ <sup>TM</sup>s story is as inspiring as it is heartbreaking.The story revolves around the encounters of a

thirteen-year old teen girl and a thirty two year old male professional who had wrongly accessed his position for his personal pleasure. Though the author is relevantly new to writing, she has done a terrific job in collecting her memories and assembling them as a story. With a simple flow, anyone can easily connect with Claire and that helps to build the base of the book. With high hopes and ambition, Claire joins a boarding school. Her keen interest in music pushes her to join a special music class with her teacher. But little did she know that beneath the inspiring words of accomplishment of the teacher lay hidden the ulterior motives of a criminal, a sadistic abuser. What elevates the story from its contemporaries is the twist towards the end. Unlike most other scenarios, Claire decides to fight back and in a vehement attempt to protest and protect she takes a major step. As I read along, her strength amidst the toughest times really surprised me. Despite certain things about her character that you may find amateurish, her determination really makes her stand out. In the end, this is not just the story of Claire Woods who was abused by her teacher.
