Gestalt Therapy And Spiritual Perspective: The InnerSense Collection

Synopsis

This book is a collection of gestalt therapy writers and counsellors who have an interest in these wider realities which may be called spiritual. They come from across Australia and around the world - from Sweden, USA, England, Ireland and New Zealand. They all are familiar with what the gestalt therapist Wilson van Dusen termed "The Country of Spirit". They have each contributed to InnerSense: A Journal of Spiritual Life and their writing is collected here in one volume.
