# Introducing Hinduism: A Graphic Guide (Introducing...)

## Synopsis

"Introducing Hinduism" offers a guide to the key philosophical, literary, mythological and cultural traditions of this extraordinarily diverse faith. It untangles the complexities of Hinduism's gods and goddesses, its caste system and its views on sex, everyday life and asceticism. This work answers questions including: Why do Hindus revere the cow? Must Hindus be vegetarian? And much more...

## Customer Reviews

Saw this book in barnes and noble and after sitting down with it for 45 min I decided to buy it. Considering this book is no more than probably 6"x4" and full of drawings, it sure has a lot of info packed in. Maybe a little too much for an intro to Hinduism. As someone who already has some familiarity with hinduism even I found it to be informative. It's great little book to carry along with you on the subway commute. And since it's a pretty neat reference guide too, you can read it several times without getting bored. That is if you really have an interest in the subject like I do. The drawings are sometimes serious and other times humorous- It's got a comic feel to it and many of the drawings are in this type of layout.

not as academic or scholarly as I thought. Cartoons rely on stereotypic representations of India/Islam. I bought it because of the author- Vinay Lal

Travelled through India for 3 months, when i got back i read this book in a couple of hours and now everyone in the US thinks i am an expert on Hinduism...really fun

Terrific guide and a well informed analysis by Prof. Lal. This book not only address aspects of the Hindu religion as a whole but also its political nuances.

I have already read this book but I found it so informative that I had to have a copy of it.
