i've read some of Vs other works, thought i would check out this one. THE BEST. every sentence filled with wisdom. the editor who selected and edited down from Vs voluminous output put together an amazing work for the ages. tempted to buy a bunch of copies to share with friends Vs most enlightened views on what religion truly is

I found this to be an excellent book. It combines all the important lectures of Swami Vivekananda in one easy to read book. For those who find it difficult to read the complete works this book is a God-sent !!

A must read for anyone interested in the knowing 'what religion is' from Swami Vivekananda. Swami Vivekananda is not taking about only knowing but realising God in your Self.
