Best Sellers Rank: #2,517,028 in Books (See Top 100 in Books) #68 inÂ Books > Religion & Spirituality > Hinduism > Sacred Writings > Vedas

Customer Reviews

I purchased about fifty copies of this book and distributed to my friends and relatives (starting with my own children), especially to those who had children. The writer is a scholar of the highest order and maintains a aura of respect in his writing while presenting traditional view of the Ramanujacarya. A problem frequently seen in books written about Indian Saints, artists and other personalities, is the use of archaic phrases, cliches outright bad English, and even bad grammar. This turns off many students brought up abroad. Many such authors affect an artificial tone of reverence that actually turns out to be comic and mocking unintentionally. This is what the reader will not find in this Naimisaranya Das's book, which employs impeccable prose which at the same time stays at a level easily accessible to a smart 6th or 8th grader. Having said that, i insist this is a book for all ages. and will serve as a refresher even to someone who is well versed in the life and Philosophy of Ramanujacarya. Everyone who is looking for a broad overview of Ramanujacarya's life of philosophy should possess a copy. A must in every Vaishnava home. I read my copy over and over just to enjoy the prose!
