Policy Process: A Reader

Synopsis

In this new edition of his classic reader, Michael Hill seeks to make the selected extracts reflect a more European outlook on the process of policy-making and implementation. With reference to the third edition of his popular textbook, *The Policy Process in the Modern State*, Hill has maintained the thematic approach of the first edition, looking in turn at approaches to policy making in Europe, power, bureaucracy and the State, the rationality/incrementalism debate, the role of organisational theory in policy implementation, street-level bureaucracy and discretion. Already praised as one of the best readers available in this field, Michael Hill's new edition will be even more valued as a reference and teaching resource by students and lecturers alike.

Book Information

Paperback: 454 pages

Publisher: Routledge; 2 edition (May 8, 1997)

Language: English

ISBN-10: 0136169473

ISBN-13: 978-0136169475
