THE RIVER OF LIGHT - How To Have The Beautiful Life You've Always Wanted (Vol. 1)

Synopsis

This first book of the series is designed for those who feel trapped and disappointed about their life, had enough of making compromises and feel the need to make a change and start fresh a new chapter in their existence. Once I was just like you. For the first 30 years of my life I believed that bad luck was following me everywhere I went, and that I was cursed, because my life was just a pile of junk. After I turned 31 I understood what life is all about. That it is not a struggle, but a beautiful experience, and, instead of swimming against the current I have decided to let go and be carried effortlessly. From that moment on, my life has transformed in front of my very eyes, from hell to paradise. I want to share that experience and what I have learned with you, and help you take the journey to happiness. You deserve to be happy! Razvan.
