The Prophet Muhammad Storybook-1: Islamic Children's Books On The Quran, The Hadith And The Prophet Muhammad

Synopsis

The Prophet Muhammad Storybook takes you back to the early days of Makkah, to a period long before the birth of the Prophet Muhammad . It relates fascinating stories about the Kabah and how the pilgrimage to it and trade with far-off lands such as Yemen, Syria, Iraq, Persia were organized along the silk route by the Prophetâ™s great grandfather. Everything is covered from the re-digging of the Zamzam well to the year of elephants, to the birth of the Prophet Muhammad , and then on to his childhood in the desert and his early life in Makkah. The Prophet Muhammad Storybook, meant for 7 year olds and above, encourages children to discover for themselves the message of the life of the Prophet and to find their own ways of applying the Prophetâ™s timeless teachings to their lives. With its colourful, child-friendly illustrations, this book is perfect for reading to your children or grandchildren, and is excellent for use at home or at school.

Customer Reviews

The font in this book is too too small to read. I was really disappointed because I wanted to learn about the prophet from a childs perspective. I am using Kindle for PC. People really want to read these books but the fonts are too small. Get the The font in this book is too too small to read. I was really disappointed because I wanted to learn about the prophet from a childs perspective. I am using Kindle for PC. Someone: Please fix this book. No one will buy it because it is not readable.

The author did not construct the book according to the KDP instructions. Doesn't KDP have any Quality Control? Get the free ebook: Building your book for Kindle. And follow the instructions to rewrite this book. Someone: Please fix this book. No one will buy it because it is not readable. The author did not construct the book according to the KDP instructions. Doesn't KDP have any Quality Control?

This book is nicely written with beautiful illustrations. However there are some mistakes in the lineage of the prophet sallalahu alaihe wasallam. This book should be edited and proofread by a scholar before being published again.

Great for kids exactly what I wanted.

It is a nice book for the kids if the fonts can be bigger on the iPhone. I tried to make it bigger for this story book but it didn't work. I was plan to buy all the books, if the fonts too small, me and the kids can not read it.

Good and clear illustration, good for kids. Like to read the second part also. suggest for the kids of you also
