Customer Reviews

This is such a beautiful and powerful deck. The artwork is so immersive and impressive. I had a pull to purchase this deck but was unsure if it would relay the serious undertones of the Tarot. It did not disappoint. This deck is very reminiscent of the Wild Wood Tarot but with a mysterious twist that will sneak up on you. The cards are very true to each suit especially the Major Arcana, "Death" card I'm looking at you. That particular card is a trip with how it brings the tone of transformation through. If you really like earthy shamanistic tarot decks this is for you. If you like spirit animals and have a special respect for wildlife and the rhythm of nature...this is for you. If you are a tarot enthusiast...this is for you. If you have \$25....this is for you!

These cards touched me in a way that is difficult to process or explain. I own over 350 decks, and this deck quickly became one of my favorite decks. Unique in many ways, the images speak to me, and the descriptions of each card offer everything that I feel I wanted. I highly recommend this deck.

Clear, beautiful pictures -- an easy-to-read deck on the surface, but with more depth than I expected. I think this will become one of my favorites. I'm going to get the digital version from The Fools Dog, but I'm really glad I got the print version first.

Beautiful, beautiful set of Tarot cards and book. Really speaks to the ones that are close with nature and wildlife. I was not disappointed at all. Thank you Leeza and Eugene. between the artwork and the explanation of the cards and their meanings, this is a topnotch deck.

This has become my clients new favorite deck for readings. Some people come to me apprehensive about the tarot, but most everyone is able to make a connection tot he archetypes of the animals represented. Art is fantastic and the book is perfect. A must buy for any tarot reader!

Received this set as a gift, have a great connection to them as soon as I opened the package. Would highly recommend them.

I was very happily surprised by this deck. I actually bought it for the book since the price was so reasonable, didn't necessarily want an animal-themed Tarot deck since I have plenty of Oracle decks with animal themes. However, these read remarkably well and each animal was well chosen to match the meaning of the card once you read about the animal. This deck and book are a great study in animal totems and Tarot, absolutely outstanding and I would recommend it to everyone!

If you like animals, you will love the Animal Totem tarot. The lack of borders is great, as it leaves more room for the image and gives a clearer view of each card. The card stock is thick and sturdy; smaller hands may have a more difficult time shuffling, but the cards will withstand long term use. It's colorful and vibrant and I highly recommend this deck.
