Please edit the next book. Stacy and Trixie are both referred to as Tracy on the same page. Trixie then goes from a high school friend of Stacy's to a sex slave immigrant from Russia. The Boy Scout joke got old in book one. Finn's references to seal school are also not consistent or maybe they are and I just can't tell from the poor editing. Couldn't bear to try this series again.

Another great mystery/suspense thriller from Lewis Haskell! I was in remote control as Finn and his ex-seal buddies went from one disaster to another as I flew through this book. Can't wait for Book3.

The second Finn Pilar adventure was even more exciting than the first. Hold on tight for another wild ride. Then you can join me anxiously waiting to hear about the release of mystery number three.

Great read. One sitting. Can't wait for the 3rd installment of Finn Pilar's adventures. In the meantime I'd like to take the Pilar Key West Bar Tour.
