The Parables Of Jesus: Complete Teachings From The Urantia Book

Synopsis

To most people, the most engaging and accessible part of The Urantia Book is Part IV: The Life and Teachings of Jesus. Encompassing the final third of the book, it is a panoramic and masterfully crafted narrative detailing thirty-six years of the life and ministry of Jesus of Nazareth. This illustrated collection of forty-two parables of Jesus is drawn entirely from The Urantia Book. It is presented in a beautifully designed layout and illustrated with modern photographic compositions and classic works of art. It is sure to become a favorite volume for those seeking to better understand and benefit from Jesusâ™ teachings. Jesus was a teacher who taught as the occasion served; he was not a systematic teacher. Jesus taught not so much from the law as from life, by parables. This was especially true during the last year of his public ministry as the parable allowed him to present new and startling truths to those who desired to know the better way while at the same time affording his enemies less opportunity to find cause for offense and for accusations against him. These parables represent a mighty storehouse of moral and spiritual teachings which have come down through the ages unblemished by the doctrines and dogmas of men. They are, quite simply, a pearl of great price.

Book Information

Hardcover: 120 pages

Publisher: Urantia Press; Ill edition (September 13, 2016)

Language: English

ISBN-10: 0997404906

ISBN-13: 978-0997404906

Customer Reviews

I randomly opened this book and began reading. Even though I am familiar with the material, somehow it spoke to me a a new way and I think what I learned to be extremely valuable to me. I'm looking forward to reading a few pages each day and taking the time to absorb the messages in this book. It's also a beautiful book. I was looking forward to gifting the book but then my cat chewed up the cover. Maybe that's the cosmos' way telling me that this book is for ME.

This reads like a story, with a preamble about what the apostles were doing, what the crowds were doing, the parable, and then discussion between the apostles and Jesus about their interpretations of the parable. I love the artwork, quality paper, and overall feel of this book. I highly recommend the Parables of Jesus to all truth seekers.

Jesus often expressed his plain truths to the minds of everyday people in the form of parables that always conveyed simple but powerful truths. This wonderful book is an invaluable • collection of forty-two of these precious gems that even today represent spiritual beacons of the deep and central teachings of Jesus. In addition, these parables are generously adorned with beautiful imagery and works of art. Bravo!
