Advances In Photochemistry, Volume 27

Synopsis

More than a simple survey of the current literature, *Advances in Photochemistry* offers critical evaluations written by internationally recognized experts. These pioneering scientists offer unique and varied points of view of the existing data. Their articles are challenging as well as provocative and are intended to stimulate discussion, promote further research, and encourage new developments in the field.

Book Information

Series: *Advances in Photochemistry* (Book 27)
