Instant Healing - Gain Inner Strength, Empower Yourself, and Create Your Destiny by Susan Shumsky, DD provides practical strategies to resolve undue attachments, co-dependencies, blockages and negative vibrations. The author seeks to uplift readers so that they can improve relationships, attract prosperity to themselves and achieve success. Early in the book, the author encourages readers to conceptualize a clean slate so that they can let go of the past and fill their minds with new experiences. At bottom, release from past attachments is a condition precedent to moving forward. Norman Vincent Peale stated something similar: "Change your thoughts and you change your world." According to Shumsky, discovering your true purpose in life and manifesting this purpose in a positive way is the key to abundance that attracts others to you. Similarly, a person can find peace by welcoming positive, peace-loving thoughts. These thoughts include tolerance, acceptance, patience, modesty, humility, inner strength, comfort, inner strength, kindness, reverence and honor. Shumsky provides a methodology for achieving release from negativity; such as, anger, sadness, guilt, depression, poverty, fear and other classic negations. In place of these many negations, the author provides positive correlates like happiness, joy, love, self-worth, abundance, confidence, goodwill, altruism and many others.
