Customer Reviews

I ordered the Kindle edition of this siddur, however, it doesn't work with a regular Kindle. You must have a Kindle Fire or some other tablet to even view the content of the book. I find this disappointing, and would like to have it updated in order to be able to view on a regular Kindle. Otherwise, it is exactly like the version we use at my synagogue and met my expectations.

Disappointed that it will only open on my Ipad, Not on my Kindle reader!

I mistakenly ordered two, only wanted one, and not on Kindle. Will attempt to rectify, but am sure you folks will help.

Peter than holding the book which is so heavy!

So great to have this on my IPad.
