## Synopsis

Mage Knight: Omens brings exciting new game play to your tabletop. New and improved Shyft warriors introduce a new subfaction, the Darkmarch. Adventuring companies are a new card type providing common abilities to all of the warriors in a player's army. Champions are single figures with multiple swappable combat dials, each representing a different version of the warrior. All of these new features allow players more power to customize their armies and field the warriors of their choice!
