Customer Reviews

I was so excited when I received this CD on the Life & Teaching of Jesus and played the first CD right away. I was thrilled to learn that this CD was so easy to listen to. This is published by the Uversa Press, Urantia Book's story of Jesus. I attend a study group of the Urantia Book and at times I have found the reading intellectual and hard to follow. However, these CD's are very easy to understand and the person who guides you through the CD has a WONDERFUL CALM AND EASY TO LISTEN TO VOICE!! When I received the CD's, there are 7 CD's plus a CD MP3 format (which I don't need since I don't know what a MP3 is, much less own one. But I am sure there are many who know how to use this and will find that it contains all the info that is on the 7 CD's all on one MP3.) Getting back to my review, I believe that anyone who has a interest in Jesus and his early life on

this planet, would really find the information very interesting. This is one CD that I will listen to many times. I love it!!
