I really needed this book for class and I hate I had to wait two weeks to get my book after I paid for it. Seems like I was waiting for it to come from another country. Good cheap price and book is in excellent condition to be used.

I got exactly the book I need for my college class. Although it is soft cover I love it. I will preserve it with my collection.

I like this book because the way the definitions are retyped out on the side of the book for

clarification. Not to mention it was by three of my teachers.

This text book for political science was pretty good. I r rails it after class just simply because politics keep changing.
