Customer Reviews

This book is a good resource for those who want to find out more about Kosher products. More information on the practical, day-to-day issues of keeping Kosher would have been helpful. But the book has a lot of good information overall.

Book arrived very fast, and is in brand-new condition. Wonderful to get this book as I had tried to buy it elsewhere, but they were out of stock. Can't thank you enough for the opportunity to get this book, thanks for everything. Will be a repeat customer.

Knowledge and wisdom. Thanks
