I loved the book. Many of the hauntings in the book I have known about from stories or can identify the area and even the exact location. My hopes are for more about hauntings in the Lincoln area to come forth. It is interesting to see if what I have been told over the years match the ones in the book. Many more stories about other hauntings in Lincoln need to be told. Keep writing!

Outstanding writing and research. The author's descriptions were very thrilling and life-like. So real that I sometimes got chills and the hair on the back of my neck would stand up. Once in a while I even heard the "phantom footsteps, and doors opening and closing by themselves."I would recommend this book to anyone interested in the paranormal.

Excellent spook book -- even for those not easily spooked! Definitely recommend it!
