Reflections On The Qur'an: Commentaries On Selected Verses

Synopsis

The Qurâ™an is believed by Muslims to be the final word of God revealed to humanity through Prophet Muhammad speaking to all humans for all times. This nature of Islamâ™s holy book brings along a continuous study of it so that its injunctions are reinterpreted according to constantly changing times and conditions of our world. This book presents such interpretations from a respected Muslim scholar who explains verses for the modern age. Gâlen is well-informed of the classical exegetical discipline; nevertheless in this book he keeps his explanations short and to the point, not to tire away readers. The book does not cover all the verses of the Qurâ™an, but selected ones, those relate most to the human existence on earth, life after death, and stories revealed in the holy book
