Tajweed Qur'an (Whole Qur'ān, Medium Size 5.5"x8") (Colors May Vary) (Arabic) (Arabic Edition)

Synopsis

The publishers have designed the text to show the rules of tajweed when reading the Qur'an. The text is written in Uthmani style and has case vowelization and dotting on the letters that are audible. Letters related to tajweed rules are distinguished within the text by the use of colors, indicating the various tajweed rules. This technique helps simplify the rules of recitation for the reader in order to encourage and facilitate correct Qurâ™anic recitation. The text is color-coded: grey indicates when a letter is not pronounced, red indicates letters which require expanded vocalization, green indicates nasalization and blue shows the emphatic pronunciation of the letter. This copy of the Holy Qurâ™an clarifies words and meanings by providing detailed explanations in the margins of the text (tafseer wa bayan).

Customer Reviews

I bought this as a gift for my daughter. I found it much easier to learn Qur'an with a Tajweed Qur'an. As she is learning the rules - she can learn the colors that represent them and this will be an excellent reminder while she is reading. This is a medium sized Qur'an and while I like the larger size myself - my daughter really loves this one.

I bought this Quran for my 11 year old daughter and she absolutely loves it! She likes that the words are color coded which makes it easy for her to read. The colors also help her to pronounce words more correctly in Arabic, being that Arabic is not her first language. We were both very pleasantly surprised that the cover of the Quran is black and not green. It was very beautiful and the size of the Quran is perfect since she takes it with her to Quran class daily.

This is a great tajweed Quran. High quality and very clear. It has everything you need. I gave it 4 stars because I would have liked the font to be even bigger. It's just my personal preference, as a beginner, I like really big font. I should have bought a bigger mushaf but if you are ok with medium sized font, then it would be perfect for you.

This review is for the following product: Tajweed Qur'an (Whole Qur'an, Medium Size) (Arabic Edition) I bought it as a gift for my wife, and she was extremely happy with the quality of this Tajweed Qur'an. The text of the Qur'an itself is beautiful, and the margins contain brief definitions of less commonly used terms. The Tajweed rules are explained in the end of the book in both English and Arabic. Definitely worth purchasing!

The Qur'an in beautifully done Arabic, well-bound and essential. It arrived a couple days ahead of schedule as well. If you speak Arabic, or study or adhere to Islam, this copy will be highly valuable and useful to you.

I am very happy with the tajweed Qur'an, it is beautiful, colorful and very good quality. I enjoy every minute I spend in reading the Quran from this Mushaf.
